Dearest Mother & Daddy:

Just a word to say I am fine and hope I'll have been home by the time you get this letter. I don't know as yet if I'll be able to come, but I hope so.

I have worked longer & harder this week than ever before; every night till 9 PM. Never saw so much work!

Be good & write soon!

Love,

Harold

P.S. This clipping sure applies to Walter! Don't it!
